It is to be noted that these reports are rather brief, general and somewhat naive but are in keeping with the informant's capabilities and comprehension of such matters. Information contained therein is generally non-specific in nature, widely known in the Cuban community, and much of it has appeared in local Spanish speaking news media.

The Bureau is requested to advise whether or not the informant can be authorized to make this information (5) available to SAKER on or about 9/29/67.

Chada Rotherell Joia adviced no objection 9/18/67
